MINUTES FOR MEETING WITH BUSINESSES IN T.H. 61/ 130TH ST. AREA
APRIL 13, 2010 AT 7:30 A.M.
WILSON TOOL INTERNATIONAL

Present:  Haas, Weidt, Miron
Absent:  Klein, Petryk

Others Present:  City Administrator Mike Ericson, Duane Berg Wilson Tool, City Engineer Jay Kennedy ,Design Engineer Nic Hentges, Senior Engineering Technician Steve Duff, Public Works Director Scott Anderson

The City held an informal meeting to update area business regarding the T.H. 61 and 130th St street improvements and traffic signal installation.

An informal presentation of the over all project was given. A proposed construction schedule and road closures were discussed. Road closure 130th St east of T.H. 61 April 26th to May 14th, work on 130th St west of T.H. 61 to May 17th to May 28th this section of the road will be closed for a day or two to install the storm sewer line. The rest of the time traffic will be allowed to use the intersection, work on T.H. 61 starts June 1st to June 8th the traffic signals will be installed after all the road work has been completed. There has been no delivery date set for the traffic signals. The construction schedule is weather dependent. Coordination between the area utilities and contractor were discussed.

Respectfully Submitted,

Steve Duff
Senior Engineering Technician
