Re: 2024 Street Improvement Project – Neighborhood Meeting
City of Hugo, MN
WSB Project No. 023540-000

Dear Current Resident:

The City of Hugo has authorized the preparation of a feasibility study for the 2024 Street Improvement Project as noted in our August 18th letter. The 2024 Street Improvement Project includes 125th Street (from Goodview Avenue to County Road 7), Heather Avenue North and Upper Heather Avenue North as shown in the enclosed project location map.

The City will be hosting a neighborhood meeting to share the vision for the proposed improvements, explain the public process of City improvement projects, explain the City assessment policy, walk through what the proposed project schedule is and, most importantly, get feedback from property owners prior to the completion of the feasibility study. A presentation will be provided at the beginning of this meeting followed by an opportunity to ask questions.

Please join us to discuss this project at a Neighborhood Meeting scheduled for:

Wednesday, September 27, 2023 – 6:00 p.m. to 7:00 p.m.

Hugo City Hall

14669 Fitzgerald Avenue North, Hugo, MN 55038

If you have any questions before the meeting or cannot attend the meeting, please feel free to contact me at 612.360.1278.

Sincerely,

Mark Erichson PE
City Engineer
